

LEADERS IN MACHINING
FOR OVER 50 YEARS

ALCO MANUFACTURING

One of the largest domestic world class suppliers of precision machined components and fittings in steel, stainless steel, brass and aluminum

MACHINED PARTS MADE IN THE USA

ALCO.COM

ABOUT US

MASSIVE CAPABILITIES

Alco Manufacturing Corp. LLC. is the leading North American manufacturer of precision machined products. We excel in hydraulic and garden hose connectors, plumbing cartridges, natural gas fittings and quick connect devices. Alco produces over 135 million parts annually, engineering products for some of the largest companies in the world across a wide variety of industries.

- 135M+ parts produced/yr
- 100M in annual sales
- Over 600 machines including CNC, Hydromat and Multi-Spindle machinery
- 7 facilities
- Over 400 employees

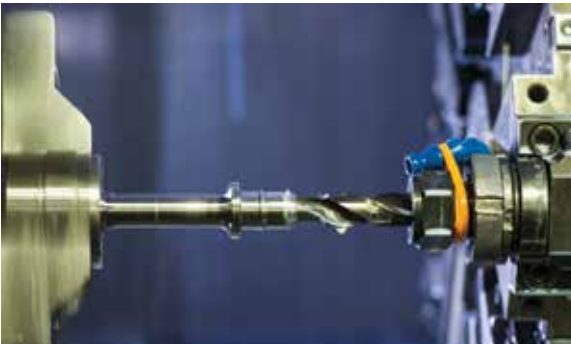

Alco manufactures basic to complex components utilizing our powerful range of equipment. Our range of machinery combined with our decades of expertise can produce even the most complicated parts required.

MACHINERY

Multiple Spindle Screw Machines

- Diameters from 1/4 to 3"
- Max 6" in length

Computer Numerical Control Machines (CNC)

- Diameters 1/4 to 4"
- Max 10" in length

Rotary Transfer Machines

- Diameters from 1/4 to 2 1/2"
- Max 6" in length

ENGINEERING EXPERTISE

From Plans To Products

One of our core strengths is the ability to design and manufacture solutions to solve company challenges. We've been doing this for over 50 years with industry leaders who rely on us for machined parts. Many of these companies have been buying from us for decades.

THE ALCO ADVANTAGE

Why We're The Leaders

Domestic Manufacturer

Simplify your supply chain all of our machined parts are made in the USA. We are able to offer smaller inventory requirements & shorter delivery time

Vast Capacity

Our 7 manufacturing locations are uniquely configured as "Centers of Excellence" to provide best in class production for jobs of all sizes.

Award-Winning Service

We pride ourselves on our ability to exceed our customer's expectations.

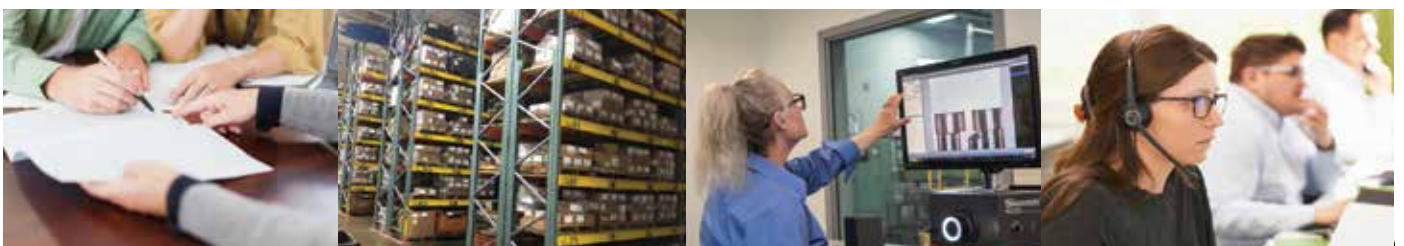

Low-Cost Producer

Alco is a true low-cost producer leveraging our large-scale buying power of raw materials and implementing lean manufacturing principals.

WORKING WITH US

Fast Quotes • Inventory Programs •
Requirement Flexibility • Responsive,
Award-Winning Service

INDUSTRIES

Hydraulic

Electric

Low-Pressure Gas

Air/Water

Other Industries Served

- Industrial
- Medical
- Automotive
- Aerospace
- Safety Equipment
- Sporting Goods
- Telecommunications
- Oil & Gas & more

CLIENT TESTIMONIALS

“ You did a wonderful job in the interpretation of my information. Your delivery performance was excellent!

The technical expertise you provided optimized the manufacturing process for our new fitting improved our cost to the market. ”

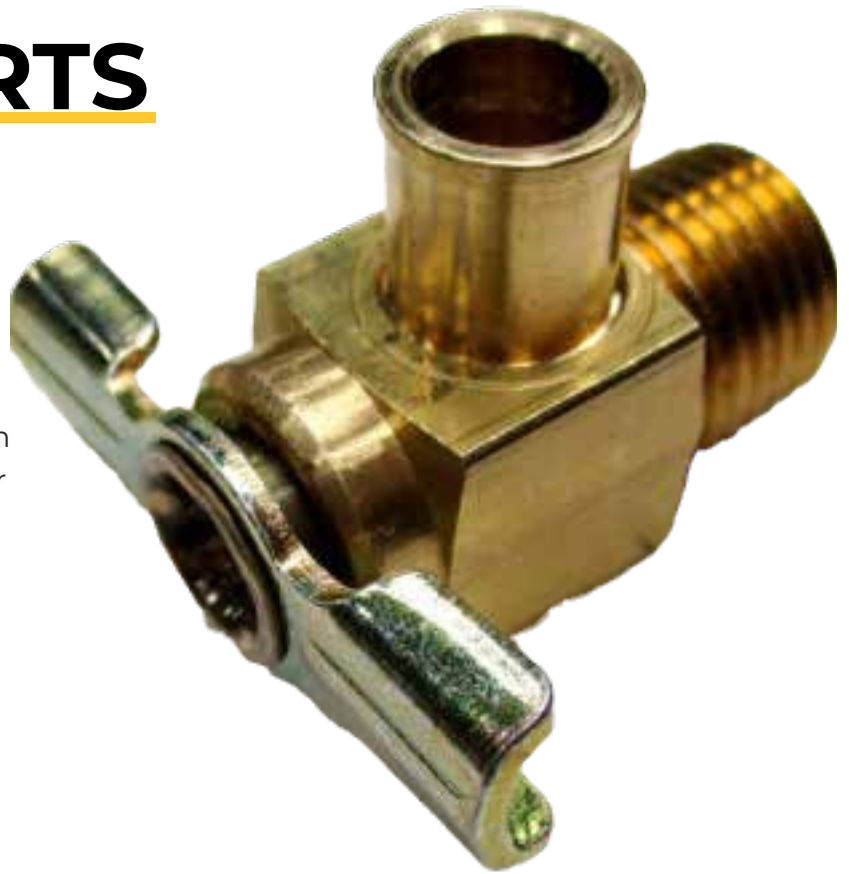

Memberships & Certifications

STOCK PARTS

DRAIN VALVES

Alco Manufacturing is one of the world's largest and most respected manufactures of brass and aluminum drain valves! Recognized as a premier supplier of the highest quality, most reasonably priced drain valves available, Alco can be your exclusive supplier of drain valves.

BRASS FITTINGS

We are a high-speed machining facility that specializes in the design and manufacturing of brass fittings. We produce fittings from brass rod ranging in size from 3/8" to 4.

We produce custom fittings and assemblies to customer specifications, often assisting in part design to reduce cost and/or improve functionality.

Check our website alco.com for more product information

For stocked parts, email alcoatalog@alco.com for price and availability

CATALOG PARTS

BRASS PARTS

Alco has a catalog of parts that must be quoted.
Our lead times are based on material availability.

Products include: hose barb, push-on, welding, pipe, garden hose, adaptors

Lead Free Fitting Options

- Easier Hose Insertion
- 13% More Contact
- 5 Seals Vs Traditional 3
- Pull-off Performance Improved by 25%
- Available in Male and Female
- Less Brass Required
- Hand-Tighten Garden Hoses, No Leaks
- Tighten Air Fittings In Tight Places
